

Enhance Student Learning Experience

INTI MOBILITY PROGRAMME

ABOUT INTI

At INTI, our mission is to bridge the needs of tomorrow through the competencies our students gain today, empowering them to become the leaders, innovators and game changers of the future. We are committed towards ensuring our students gain the competencies needed for the workplace of the future, and to work alongside the digital transformations driving today's global businesses in the Fourth Industrial Revolution.

Through our innovative teaching and learning and extensive industry partnerships, we empower our students with the ability to work with smart machines, to process and analyse data for better decision-making, to learn about technologies that impact businesses and manufacturing processes, and to develop professional skills such as adaptability, working with multidisciplinary teams, problem-solving, and a thirst for lifelong learning.

By inspiring our students to explore their passions and discover their true potential through the right skills, tools and experiences, we continue to be a force of change in revolutionising education. Our commitment is to ensure exceptional graduate outcomes, and to transform our students into the dynamic leaders of the future – ones who will lead us in the Fourth Industrial Revolution, and beyond.

INNOVATIVE Teaching & Learning

INTI integrates an array of proven approaches to teaching combined with revolutionary applications of technology in the classroom such as the innovative Blackboard Learning Management System.

With Blackboard, learning does not only happen in the classroom, it happens everywhere. It's a holistic, integrated system to collaborate and interact with fellow students and lecturers. Students can offer and gain feedback from their peers on coursework and perform self-assessments while learning in a safe, nurturing and holistic environment.

GLOBAL RECOGNITION & ACHIEVEMENT

Awarded to INTI INTERNATIONAL UNIVERSITY & COLLEGES for:

- Professional Development (2020, 2019 & 2017)
- Student Success (2020 & 2019)
- Leading Change (2018)

Supplementary Learning and Assessment Tools Used:

Interactivity Building Software Ranging From Games, Quizzes, Simulations, Presentations And More

INDUSTRY RELEVANCE

INTI has established a strong collaborative network with key leading companies in the industry and has been at the forefront of education innovation by offering an academic curriculum that is not only industry relevant but also immensely effective.

Online Assessment Platform with Online Remote Proctoring

INDIVIDUAL Development

INTI endeavours to include practical experiences in every programme it offers. From practical workshops taught by local and international guest lecturers and industry practitioners who share the ins and outs of the working world, to hands-on practical projects initiated by potential employers.

THE MENTOR-MENTEE PROGRAMME

Expand your social circles and future horizons

New students at INTI are paired up with a senior student who acts as a role model and offers assistance in easing them into academic life. The mentor-mentee programme supports new students to form social bonds and helps them become a part of the close-knit INTI community. These social bonds provide a significant part of the support a student receives during their journey at INTI.

PARENT / TEACHER MEETINGS

Get valuable feedback and grow

To keep abreast of a student's academic progress at INTI, both students and lecturers have access to the Blackboard Academic Learning system which helps them track the areas for improvement. Parents and caregivers are also invited to meet with the student's lecturers and academic staff to discuss their academic performance and explore ways to enhance it.

LINKEDIN

Building your personal brand and your link to a world of opportunities

INTI has established a collaboration with LinkedIn that leverages its powerful connections, and offers training for students to create their personal brand and profile that elevates their opportunities for employability. Regular workshops are conducted to teach students how to create a compelling resume that will resonate with potential employers. With a complete, job-ready LinkedIn profile even before they graduate, INTI students have the perfect platform to build and enhance their personal brand.

GETTING TO KNOW MALAYSIA

Malaysia is a fascinating and enchanting country where colourful cultures co-exist in peace and harmony. Famous for being one of the most multicultural nations in Southeast Asia, it is comprised of 3 main races: Malays, Chinese and Indians. It is formed by 11 states in the peninsular and two states in northern Borneo.

Culture

As our special guest, you are most welcomed to join in the numerous cultural festivals celebrated throughout the year – from Hari Raya Aidilfitri (Eid al-Fitr) to Chinese New Year and the Diwali Festival of Lights, to name a few. Your experience in Malaysia will open your eyes and mind to a rich kaleidoscope of cultural delights.

Food

To tempt your palate, we have a wide variety of local dishes and street foods, in addition to cuisines from all corners of the world. Restaurants, cafes, hawker stalls and popular fast food chains are everywhere, so take your pick.

Society

Wherever you come from, you will fit right in here in Malaysia, where 29 million people of different creeds and colours live together. Together, the Malays, Chinese, Indians and various other races have formed a fascinating tapestry of cultures and lifestyles. Bahasa Malaysia is our national language, while English, Mandarin and Tamil are also widely used in day-to-day interactions.

STUDENT EXCHANGE PROGRAMME

Duration: **2 months to 1 year**

INTI Student Exchange Programme is designed for undergraduate students from our partner universities who wish to spend a period of time studying in Malaysia, earning credits to transfer back to their home university. Modules are available across most disciplines and are part of the regular undergraduate curriculum, enabling international exchange students to study at INTI campuses.

Programme includes:

1. **EXPERIMENTAL WORKSHOP** - Business, Physiotherapy, and Engineering
2. **OTHER WORKSHOP** - Business, Science, Engineering, Computing & IT, Art and Design, Culinary Arts
3. **GENERAL STUDIES** - Intercultural Communication and Performing Arts in Malaysia
4. **LANGUAGE STUDIES** - Malay and English
5. **CULTURAL EXPLORATION ACTIVITIES** - Contemporary Malay and Indian dance, Silat, Dikir Barat and Cooking Classes
6. **INDUSTRIAL SITE** - Visit
7. **CITY TOUR TO FAMOUS PLACES**

Note: Upon completion of assessment for each course or subject, students will be awarded with a Micro Credential Certificate issue by INTI.

APPLICATION PROCESS

STEP 01

Partner university to nominate students for the VSEP (Virtual Student Exchange Programme)

STEP 02

Students to submit all the required documents for admission to home university

STEP 03

INTI CIRC receive VSEP applications from partner university and screen through application documents

STEP 04

Forward the applications to host faculty for approval

STEP 05

Submit VSEP student applications to Office of Admission & Record (OAR) for offer letter

STEP 06

Send copy of the Letter of Offer to Partner University via email

Requirements and Eligibility

- Applicants must be a full-time student from the respective University/College/High School
- Applicants must have good health conditions, academic performance and good conduct
- Applicants must be able to speak and communicate in basic English
- Applicants must agree to abide by the rules and regulations of INTI

STUDY TOUR

At INTI, we believe that education is one of the most important investments in life, especially overseas education. Therefore, choosing the right education pathway and university is essential. INTI Study Tour encourages students to immerse themselves in an overseas study environment, exposing themselves to campus life and culture to broaden their experience. The main objective of INTI Study Tour is to nurture global champions, broaden one's international perspectives and gain exposure learning within a multi-racial society. Consequently, students will have the opportunities to reflect on the experiences gained and act accordingly in future cross-cultural encounters.

Key Benefits of Study Tour

- Enhancing international perspectives
- Preparation for further study abroad
- Explore and experience the different cultures in Malaysia

Study Tour Category

- Language Programme
- City Tour
- Cultural Programme
- Experimental Workshop

Duration

1 day to 3 weeks

“

WELLA OSCAR, FRANCE
Semester Abroad Programme

Each day of my study experience was a challenge, but a nice one. I got to learn new languages, taste new food, meet people from other nationalities, live together with international students and get to experience different cultures.

”

“

JENNIFER TAVIRA, ANGOLA
Bachelor of Biotechnology

INTI has many social events and fun activities organized by the international students. I blended in very well and adapted quickly with the community here as they are all very friendly and helpful.

”

“

LI ZHI HAO, CHINA
Bachelor of Business

INTI has high reputation in education industry and very well-known for its unique style of teaching and learning as well as offering dual award here where I can get a foreign degree too.

”

“

OKA KIRITA, JAPAN
Bachelor of Mass Communications

After studying in INTI, my English has improved tremendously and I can speak fluently with my friends here in Malaysia. This education experience has fully prepared me to start my career.

”

“

CHRISTINE KUSUMA
Bachelor of Business

INTI has prepared me theoretically and practically to obtain an internship placement in Mercedes-Benz Malaysia and conducted a 3-day workshop on how to prepare my resume, what is dress etiquette and how to ace an interview.

”

“

SUNSHANI MARQUIS, FRANCE
Semester Abroad Programme

When I first arrived in Malaysia, I was glad that I received warm support from the international team settling me in. They ensure that my welfare and basic necessities are well taken care of.

”

“

AFRA ANJUM KHAN, BANGLADESH
Bachelor of Business

Learning in INTI is innovative because we not only learn from books, lectures, but also through online. INTI combines face-to-face and blended learning where we can learn in the class or by ourselves at home.

”
