

What is the Chevening Programme?

Chevening is the UK government's global scholarship programme, funded by the Foreign, Commonwealth and Development Office (FCDO) and Partner Organisations. The scholarships are awarded to outstanding individuals with leadership potential, networking skills, a study plan in the UK and a developed professional career plan, as well as a strong academic background, to pursue a one-year master's degree in any subject at any UK university.

Chevening was established in 1983 and has developed into a prestigious international scholarships and fellowships scheme. The programme operates in over 160 countries and offers highly sought opportunities for professionals to increase their academic qualifications, develop their skills, network extensively and broaden their horizons.
